Would you please tell us how we did today?

Exceptional Service - Right from booking to
Reminders to reception to procedure
Very clean, organized &
Staff appear to enjoy their work.

Is there anything in particular that stood out?

The kind voices, detailed instructions always
knew what was coming next.
Nicely prepared me for the procedure.
Very detail overview + double checks of
Assessment form - felt in very good, competent hands

Is there an area in which you believe we could improve upon?

Maybe just a visual in the dressing room ex)
signage that tells you what to remove for
clothing, then to take key, then sit + wait
for technician. It was able to retain the instructions
but an elderly person may not.
